Notes:

This certificate provides the basis for the manufacturer or (if applicable) their authorised representative established within the United Kingdom in conjunction with the UK TYPE-EXAMINATION (MODULE B) CERTIFICATE of the equipment listed in the scope to affix the "Mark of Conformity" (Red Ensign Mark).

This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with the approved body named on this certificate

Example for the Application of the "Mark of Conformity":

8504/(yy)yy

8504 Number of the Approved Body responsible for quality surveillance module
(yy)yy The year(last two digits) in which the mark is affixed.

This certificate is issued under the authority of the Maritime and Coastguard Agency.
